At each age level, a trained early childhood specialist facilitates classes.

✦ **Toddler Territory**.....15 - 28 months

Space permitting, enrollment is open and ongoing.

Kreative Kids

Music for Young Children

Ages 5 months to 5 years

An invitation for children to discover the world of music through fun-filled small group instruction. Children delight in the pleasure that music and movement affords the senses as they participate in a variety of "kreative" activities. Class is taught by Alexis Birnbaum.
